

1. Instead of 'Gift Bundles' make it 'Gift Combos'

Home Shop **Gift Bundles** Our Story Evidence Hub

2. Refer screenshot below:

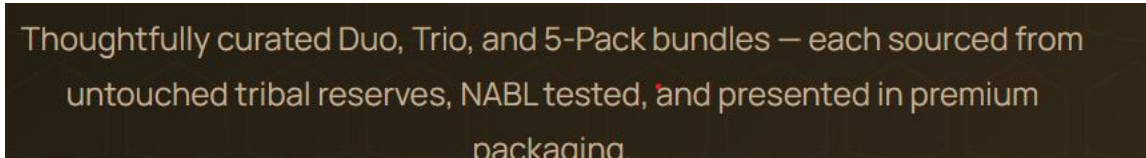

You can see in above screenshot only rare dammer bee honey is added individually in cart. Still COMBO10 is automatically applied. COMBO10 should be applied only when there are more than 1 honey SKUs in the cart.

3. Following will be the Scenarios/combinations to be displayed in 'Gift Combos' section. Remove all other combinations.

Set of 5	70G each	The 5 Elements Collection - All 5 honeys
Quartet(Set of 4)	250G each	Canopy Dew, Organic Wild, Bloodseed & Artisanal
Trio	250G each	Organic Wild, Bloodseed & Artisanal Heritage
Trio	250G each	Bloodseed, Artisanal & Canopy Dew
Duo	500G each	Bloodseed & Artisanal Heritage
Duo	500G each	Organic Wild Forest & Artisanal Heritage
Duo	500G each	Bloodseed Forest & Organic Wild Forest
Duo	500G each	Rare Dammer Bee & Canopy Dew Forest

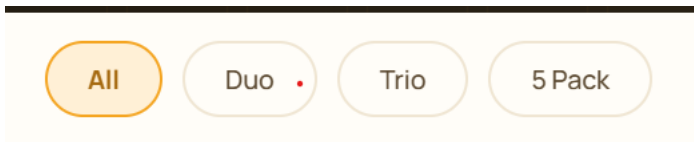

In all above Combos COMBO10 offer code will be automatically applied over & above the discounted Selling price of individual Honey SKU. For Example in 500G DUO – Organic wild MRP is 699 but discounted SP is 599 and Artisanal Heritage MRP is 799 but discounted SP is 699. So the COMBO10 discount code will be auto applied on 1298 (599+699). So 10% discount value will be 130 and the final price after COMBO10 discount will be 1168. Similar concept also applies for trio and quartet. The 5 Elements collection will be MRP 599, Discounted SP 499, over and above that Rs. 50 combo10 discount will be applied and shipping fee of Rs. 49 will be applied since order value is below 499.

4. COD payment option to be given besides/above/below Pay with Razorpay at the time of checkout or view cart as appropriate. And COD handling fee of Rs. 69/- will be charged if customer opt/selects COD option. At the same place there should be an highlight or pop-up of Code PREPAID5 to encourage customer to opt for prepayment.
5. In Shipping & Delivery Policy, make COD handling fees of Rs. 69 instead of Rs. 49

Please make it 'Bulk Pricing, Customization, Co-Branding, personalized notes for corporate orders of 20+ units. And I want to place this whole thing on the top and not at the end of the gift section. You can keep the tagline 'Corporate & premium gifting' in the centre top as it is, move the content 'Gift India's Rarest.....' to the left and then place the above screenshot in the right. And if you feel centre space seems vacant. Put a nice gift box pic tied with ribbon.
